School wide dismissal is 3:15 p.m. daily. After School runs from 3:25-6:00 p.m.*

Grade school children not picked up by 3:25 p.m. will be brought to After School (by their class teacher) and families will be billed the daily drop in rate of \$15/day.

Once signed in, children will be billed the daily rate, regardless of length of time spent in After School.

We understand that schedules may change between now and next fall – we currently need a general idea of what you will likely need for the 2010-11 school year.
