

Morning Garden (Parent/Child)

2011-12

Emerson Waldorf School will be offering the Morning Garden Program on Friday mornings during the school year. The Parent/Child program is designed to develop a safe nourishing place for children to play and an environment of peace and friendship for the parents.

Children birth to age 3.5 are welcome to attend with their parent. The program is ideal for 1 parent and 1 child; however, if you have a sibling who would need to attend, please make an arrangement with the Admissions Director to set up an interview with the teacher for approval for both children to participate.

Rhythm of the morning:

- Arrive quietly: hang coats up and put slippers on.
- The children will play in a warm, nurturing environment that seeks to surround the child with a quiet reverence and adult gestures worthy of imitation.
- A craft opportunity is offered during the play time for the adults.
- Clean up/ set the table for snack.
- Circle time/ Hand washing.
- Snack/ Dishwashing (very little discussion during the snack).
- Story
- Walk/Depart

Included in the session is one evening. This is the time to have discussions about topics such as, creative discipline, nutrition, rhythm, parenting, etc. Some of the topics will come out of the questions that come from the group or from the handouts or books recommended.
